The Power of Young Artists! – An International Erasmus+ Project %

We are proud to present the outcomes of our third international Erasmus+adventure!

The Power of Young Artists! brought together 42 young people from 7 countries to develop their artistic talents, explore new cultures, and create unforgettable experiences together.

Participating Countries:

We welcomed participants from EU countries: ☐ Poland, ☐ Bulgaria, ☐ Lithuania, and from beyond the EU: ☐ Ukraine, ☐ Jordan, ☐ Georgia, ☐ Türkiye.

Nat did we achieve?

- ✓ Preparatory Visit in Poronin our vibrant leaders' meeting, which took place from January 13–16, 2025.
- ✓ **Youth Exchange** Held from **March 10–20, 2025** in Poronin. This included shared journeys, 8 days of intensive artistic workshops, teamwork on a group performance, and magical moments during integration and artistic-cultural evenings.

💡 Main objectives of the project:

- 🎨 Create space for artistic expression and talent development.
- Promote intercultural exchange and mutual understanding.
- 🞭 Use art to build confidence and social skills.
- 1 Include young people with fewer opportunities in international creative activities.

🎨 What did the exchange look like?

Participants collaborated on a unique **Art Performance**, born from theatrical, musical, and dance workshops.

The story explored themes of mental health and followed a character rediscovering joy in life.

Treasure Hunt to start!

On the second day, participants joined a creative **outdoor game**, solving puzzles and gathering ideas for the performance. They cracked math riddles, completed language tasks, and searched for hidden clues and coordinates to unlock the "treasure" for the story they would create.

Group work makes the dream work!

Erasmus+ is about teamwork! Our 42 artists brought diverse passions and skills. To prepare for the performance, they joined thematic groups tailored to their interests:

- 🮭 **Acting Group** wrote the script and played the main roles.
- **Two Dance Groups** one focused on traditional Ukrainian & Lithuanian folk, the other on contemporary dance.
- Art Group designed the stage and curated a visual art exhibition.
- Music Group created a multilingual song and worked on the sound design with a facilitator.

Art knows no limits – not even language!

The final performance took place at the **Local Cultural Centre (Gminny Ośrodek Kultury) in Poronin** in front of 6th and 7th-grade students from the **local primary school**.

- 🮭 Over 70 people attended!
- The show was performed in English with a Polish translation displayed on-screen to make the message accessible to everyone.

How did we make it happen?

- We used innovative non-formal education methods.
- We collaborated with professional trainers in acting, singing, and dance.
- We gave participants the chance to lead workshops themselves.
- We created a space for intercultural exchange and expression.

The Power of Young Artists! wasn't just about developing artistic skills — it was an unforgettable adventure!

Cultural Evenings

Each country shared their unique dance styles — from traditional folk to modern interpretations.

We hosted 3 inspiring and energetic cultural nights!

Workshops led by participants!

- 🕺 A dance coach from Jordan brought hip-hop vibes to the group.
- 💃 A **Polish participant** introduced contemporary dance and body expression.
- A Turkish participant choreographed a routine to a pop hit from Türkiye!

Games and Contests

- Mini-Talent Show from animal impressions and origami to singing and dancing! This fun evening helped participants build confidence and apply public speaking tips in practice.
- Social Media Contests they competed for the titles of "Social Media Star" (best post) and "Social Media Influencer" (most popular post), enhancing their digital skills.

Trips & Integration

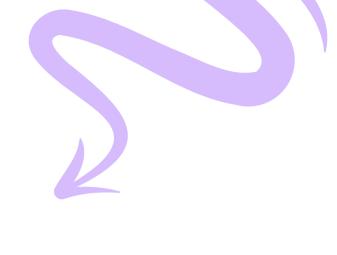

We explored **Zakopane**, soaking in the culture and regional architecture. We enjoyed stunning views from **Gubałówka**, where we also ran a **hands-on video & photography workshop**!

For some well-deserved relaxation, we visited the **Chochołowskie Thermal Baths** together.
